

Luxury Products Group Awards Strasser 2021 Supplier of the Year

February 9, 2022

In presenting the award to Strasser's Vice President of Sales Peter Ollestad, LPG's Executive Director Jeff MacDowell said, "Strasser is a tremendous partner with Luxury Products Group. Their commitment to crafting the highest-quality bathroom vanities, furniture and accessories in the USA garners them the unwavering support of fellow industry members as well as everyone at LPG. The generations of family members working at their facility, and their plans for continuing family involvement, are inspirational. Peter is a perfect example of what the industry needs in leadership – and it is because of his efforts to support us that this award is presented to Strasser."

MacDowell noted that for suppliers to be considered, they must meet a certain selection criteria, and go above and beyond in supporting the initiatives of the group. Strasser was the clear choice, and he was thrilled to present the award. "This has been a year of unprecedented growth for LPG with many of our supplier partners. We are lucky to have all of them, and happy to recognize and celebrate a job well done," MacDowell said.

"To receive this award and recognition from LPG, the best people in the industry, is a tremendous honor. To be selected in a field of first-class vendors is truly humbling. The award is a statement to the positive culture here at Strasser, where we are all proud to produce high quality products and provide first class customer service," Ollestad said. "I would like to thank LPG/Imark, Jeff MacDowell and the advisory committee, and of course all our showroom partners and vendors in the group. You all make me and Strasser better."

As the recipients of this year's award, Strasser has set the standard of achievement amongst LPG members and will be honored at the next IMARK/LPG Annual Meeting.
