STRASSER

WOODENWORKS

The Strasser logo is the existing wordmark. This simple logo is to be the more widely used logo, across website, and literature.

STRASSER

The Strasser monogram is to be used sparingly when a small or square icon is needed, or at the end or bottom of a design.

EST. 1982

The Strasser Full Wordmark is a large scale logo that can be used when neded for maximum impact. Not to be scaled small.
